HSE Manager (w/m/d)

If you are looking for a diverse, innovative and challenging work environment, you have many opportunities in our team. Professional and personal development is a top priority in our company. Our project partners are international. Do you appreciate challenges, want to achieve new goals and also take on unusual tasks? Then you've come to the right place. We are looking for an HSE Manager as soon as possible.

Your Tasks

- ✓ You will supervise projects independently or as part of a team.
- ✓ You advise our project partners in all questions in the field of HSE.
- ✓ This includes communication and coordination with all parties involved.
- ✓ You provide training and instruction.
- ✓ You carry out inspections and audits and monitor compliance with safety regulations on site.
- ✓ You create and maintain bilingual documentation.

Your Profile

- ✓ You have a successfully completed engineering degree or equivalent.
- ✓ You are qualified as an "occupational safety specialist" or a comparable degree such as NEBOSH.
- ✓ Ideally, you are qualified as a safety and health protection coordinator, fire protection officer and are suitable for offshore use.
- ✓ You have already gained your first professional experience.
- ✓ You work independently and are still a team player.
- ✓ You are flexible and willing to travel (nationwide or in other European countries).
- ✓ You can communicate well in German and English.

What we offer:

- ✓ We offer a good starting salary and fair salary structures.
- ✓ We want to work with you on a long-term basis and offer unlimited contracts.
- ✓ We give our employees 28 days off.
- ✓ We pay into the company pension for you.
- ✓ We offer development opportunities and further training measures.
- ✓ We pay attention to honesty, respect, transparency and tolerance and thus ensure a pleasant working atmosphere.
- ✓ We have exciting topics and projects where every employee can develop.
- ✓ We take care of your business trips.

Have we aroused your interest? Then please send us your application documents including your desired salary and earliest possible starting date by e-mail to info@hseq-experts.com.

We are looking forward to getting to know you! Be part of the team.
